4.3 Sale Process. Broker shall market the Real Estate for no less than 60 days and then conduct an auction for qualified bidders. Broker, in consultation with Plan Proponent, shall clearly advertise bidding procedures for, among other things: (a) qualification of bidders; (b) submission of binding bids by a bid deadline; (c) bidding increments; and (d) a mandatory earnest money deposit equal to 10% of the purchase price. The Plan Proponent, in consultation with the Broker, shall determine the highest or best bid.

4.4 Free and Clear Sale. The Real Estate shall be transferred to the prevailing bidder free and clear of all liens, claims, interests, and encumbrances to the maximum extent permitted by the Bankruptcy Code, with any such security interests attaching to the Sale Proceeds with the same validity, priority, and extent as existed prepetition, for subsequent distribution under the Plan.

Moreover, it is difficult to ascertain the value of their deficiency claims prior to the Sale of the Real Estate. ARTICLE II

Establishment of Trust

Section 2.01 Effectiveness of Agreement; Name of Trust. This Agreement shall become effective on the Effective Date of the Plan. The Trust shall be officially known as the "[DEBTOR NAME] Creditor Trust".

Section 2.02 Purpose of Trust. The Debtor and the Trustee, pursuant to the Plan and in accordance with Bankruptcy Code, hereby create the Trust for the primary purpose of collecting, holding, administering, distributing, and liquidating the Trust Assets for the benefit of the Beneficiaries in accordance with the terms and conditions of this Agreement and the Plan, and with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Trust.

Section 2.03 Transfer of Trust Assets.

(a) Conveyance of Trust Assets. The Debtor hereby grants, releases, assign[s], transfers, conveys, and delivers, on behalf of the Beneficiaries, the Trust Assets to the Trust as of the Effective Date in trust for the benefit of such holders to be administered and applied as specified in this Agreement and the Plan.

(b) Title to Trust Assets. Pursuant to the Plan, all of the Debtor's' right, title, and interest in and to the Trust Assets, including all such assets held or controlled by third parties, are automatically vested in the Trust on the Effective Date, free and clear of all liens, claims, encumbrances, and other interests, except as specifically provided in the Plan, and such transfer is on behalf of the Beneficiaries to establish the Trust. The Trust shall be authorized to obtain possession or control of, liquidate, and collect all of the Trust Assets in the possession or control of third parties and pursue all of the Causes of Action. On the Effective Date, the Trust shall stand in the shoes of the Debtor for all purposes with respect to the Trust Assets and administration of the Claims. To the extent any law or regulation prohibits the transfer of ownership of any of the Trust Assets from the Debtor to the Trust and such law is not superseded by the Bankruptcy Code, the Trust's interest shall be a lien upon and security interest in such Trust Assets, in trust, nevertheless, for the sole use and purposes set forth in Section 2.02, and this Agreement shall be deemed a security agreement granting such interest thereon without need to file financing statements or mortgages. By executing this Agreement, the Trustee on behalf of the Trust hereby accepts all of such property as Trust Assets, to be held in trust for the Beneficiaries, subject to the terms of this Agreement and the Plan.

(c) Capacity of Trust. Notwithstanding any state or federal law to the contrary or anything herein, the Trust itself shall have the capacity, in its own right and name, to act or refrain from acting, including the capacity to sue and be sued and to enter into contracts. The Trust may alone be the named movant, respondent, party plaintiff or defendant, or the like in all adversary proceedings, contested matters, and other state or federal proceedings brought by or against it, and may settle and compromise all such matters in its own name.

(d) No Retention of Excess Cash. Notwithstanding anything in this Agreement to the contrary, under no circumstances shall the Trust or Trustee retain cash or cash equivalents in excess of a reasonable amount to meet claims, expenses, and contingent liabilities or to maintain the value of the Trust Assets during liquidation other than reserves established pursuant to Section 4.01(b) of this Agreement, and, subject to Article VIII of this Agreement, shall distribute all amounts not required to be retained for such purposes to the holders of Allowed Claims as promptly as reasonably practicable in accordance with the Plan and this Agreement.

(e) Acceptance by Trustee. The Trustee accepts its appointment as Trustee of the Trust.

ARTICLE III

Trust Administration

Section 3.01 Rights, Powers, and Privileges of Trustee Generally. Except as otherwise provided in this Agreement, the Plan, or the Confirmation Order, the Trustee on behalf of the Trust may control and exercise authority over the Trust Assets, over the acquisition, management, and disposition thereof, and over the management and conduct of the affairs of the Trust. In administering the Trust Assets, the Trustee shall endeavor not to unduly prolong the Trust's duration, with due regard that undue haste in the administration of the Trust Assets may

fail to maximize value for the benefit of the holders of Allowed Claims and otherwise be imprudent and not in the best interests of such holders.

Section 3.02 Power to Contract. In furtherance of the purpose of the Trust, and except as otherwise specifically restricted in the Plan, Confirmation Order, or this Agreement, the Trustee shall have the right and power on behalf of the Trust, and also may cause the Trust, to enter into any covenants or agreements binding the Trust, and to execute, acknowledge, and deliver any and all instruments that are necessary or deemed by the Trustee to be consistent with and advisable in furthering the purpose of the Trust.

Section 3.03 Ultimate Right to Act Based on Advice of Counsel or Other Professionals. Nothing in this Agreement shall be deemed to prevent the Trustee from taking or refraining to take any action on behalf of the Trust that, based upon the advice of counsel or other professionals, the Trustee determines it is obligated to take or to refrain from taking in the performance of any duty that the Trustee may owe the holders of Claims or any other Person under the Plan, Confirmation Order, or this Agreement.

Section 3.04 Powers of Trustee. Without limiting the generality of the above Section 3.01, in addition to the powers granted in the Plan, the Trustee shall have the power to take the following actions on behalf of the Trust and any powers reasonably incidental thereto that the Trustee, in its reasonable discretion, deems necessary or appropriate to fulfill the purpose of the Trust, unless otherwise specifically limited or restricted by the Plan or this Agreement:

- (a) Hold legal title to the Trust Assets and to any and all rights of the Debtor[s] and the holders of Claims in or arising from the Trust Assets.
- (b) Manage, invest, supervise, protect, and where appropriate, cause the Trust to abandon the Trust Assets, including causing the Trust to invest any moneys held as Trust Assets in accordance with the terms of Section 3.08 hereof.
- (c) Open and maintain bank accounts on behalf of or in the name of the Trust.
- (d) Cause the Trust to enter into any agreement or execute any document or instrument required by or consistent with the Plan, the Confirmation Order or this Agreement, and to perform all obligations thereunder.
- (e) Subject to Article VIII of this Agreement, collect and liquidate all Trust Assets, including the sale of any Trust Assets.
- (f) Protect and enforce the rights to the Trust Assets (including any Causes of Action) vested in the Trust and Trustee by this Agreement and the Plan by any method deemed appropriate, including, without limitation, by judicial proceedings or otherwise.
- (g) Investigate any Trust Assets, including potential Causes of Action, and any objections to Claims, and cause the Trust to seek the examination of any Person pursuant to Federal Rule of Bankruptcy Procedure.

(h) Cause the Trust to employ and pay professionals, claims agents, disbursing agents, and other agents and third parties pursuant to this Agreement.

(i) Cause the Trust to pay all of its lawful expenses, debts, charges, taxes, and other liabilities, and make all other payments relating to the Trust Assets.

(j) Subject to Article VIII of this Agreement, cause the Trust to pursue, commence, prosecute, compromise, settle, dismiss, release, waive, withdraw, abandon, or resolve all Causes of Action.

(k) Subject to Article VIII of this Agreement, calculate and make all Distributions on behalf of the Trust to the holders of Allowed Claims provided for in, or contemplated by, the Plan and this Agreement.

(l) Establish, adjust, and maintain reserves for Disputed Claims required to be administered by the Trust.

(m) Cause the Trust to withhold from the amount distributable to any Person the maximum amount needed to pay any tax or other charge that the Trustee has determined, based upon the advice of its agents and/or professionals, may be required to be withheld from such Distribution under the income tax or other laws of the United States or of any state or political subdivision thereof.

(n) In reliance initially solely upon the Debtor['s'] schedules and the official claims register maintained in the Debtor['s'] Chapter 11 Case[s], review, and where appropriate, cause the Trust to allow or object to Claims and Interests; and, subject to Article VIII of this Agreement, supervise and administer the Trust's commencement, prosecution, settlement, compromise, withdrawal, or resolution of all objections to Disputed Claims required to be administered by the Trust.

(o) In reliance upon the Debtor['s'] schedules and the official Claims register maintained in the Chapter 11 Case[s], maintain a register evidencing the beneficial interest herein held by each Beneficiary and, in accordance with section [3.09] of this Agreement, such register may be the official Claims register maintained in the Chapter 11 Case[s].

(p) Cause the Trust to make all tax withholdings, file tax information returns, file and prosecute tax refund claims, make tax elections by and on behalf of the Trust, and file tax returns for the Trust as a grantor trust under IRC section 671 and Treasury Income Tax Regulation section 1.671-4 pursuant to and in accordance with the Plan and Article VII hereof, and pay taxes, if any, payable for and on behalf of the Trust; provided, however, that notwithstanding any other provision of this Agreement, the Trustee shall have no personal responsibility for the signing or accuracy of the Debtor['s'] income tax returns that are due to be filed after the Effective Date or for any tax liability related thereto.

(q) Cause the Trust to abandon or donate any Trust Assets that the Trustee determines to be too impractical to distribute to Beneficiaries or of inconsequential value to the Trust and Beneficiaries to Legal Services of North Dakota.

(r) Cause the Trust to send annually to Beneficiaries, in accordance with the tax laws, a separate statement stating a Beneficiary's interest in the Trust and its share of the Trust's income, gain, loss, deduction or credit, and to instruct all such Beneficiaries to report such items on their federal tax returns;

(s) Cause the Trust to seek a determination of tax liability or refund under section 505 of the Bankruptcy Code.

(t) Cause the Trust to establish such reserves for taxes, assessments, and other expenses of administration of the Trust as may be necessary and appropriate for the proper operation of matters incident to the Trust.

(u) Cause the Trust to purchase and carry all insurance policies that the Trustee deems reasonably necessary or advisable and to pay all associated insurance premiums and costs out of the Trust Assets.

(v) Subject to Article VIII of this Agreement, if the Trustee has a conflict or if any of the Trust Assets are situated in any state or other jurisdiction in which the Trustee is not qualified to act as trustee, nominate, and appoint a Person duly qualified to act as trustee in such state or jurisdiction in accordance with the terms of this Agreement.

(w) Undertake all administrative functions of the Trust, including overseeing the winding down and termination of the Trust.

(x) Undertake all administrative functions remaining in the Chapter 11 Case[s], including reporting and making any required payments of fees to the US Trustee and overseeing the closing of the Chapter 11 Case[s].

(y) Exercise, implement, enforce, and discharge all of the terms, conditions, powers, duties, and other provisions of the Plan, the Confirmation Order, and this Agreement.

(z) Take all other actions consistent with the provisions of the Plan that the Trustee deems reasonably necessary or desirable to administer the Trust.

Section 3.05 Exclusive Authority to Pursue Causes of Action. The Trust shall have the exclusive right, power, and interest to pursue, settle, waive, release, abandon, or dismiss the Causes of Action. The Trust shall be the sole representative of the Estate under Section 1123(b)(3) of the Bankruptcy Code with respect to the Causes of Action.

Section 3.06 Abandonment. If, in the Trustee's reasonable judgment, any non-cash Trust Assets cannot be sold in a commercially reasonable manner or the Trustee believes in good faith that such property has inconsequential value to the Trust or its Beneficiaries, the Trustee shall have the right to cause the Trust to abandon or otherwise dispose of such property,

including by donation of such property to Legal Services of North Dakota or another charitable organization.

Section 3.07 Responsibility for Administration of Claims. As of the Effective Date, the Trust shall become responsible for administering and paying Distributions to the holders of Allowed Claims entitled to receive Distributions from the Trust pursuant to the Plan. The Trust shall have the exclusive right to object to the allowance of any Claim on any ground and shall be entitled to assert all defenses of the Debtor[s] and [its/their] Estate[s]. The Trust shall also be entitled to assert all of the Estate[s]'/s] rights under, without limitation, Section 558 of the Bankruptcy Code. The Trust may also seek estimation of any Claims under and subject to Section 502(c) of the Bankruptcy Code.

Section 3.08 Agents and Professionals. The Trustee may, but shall not be required to, consult with and retain attorneys, financial advisors, accountants, appraisers, and other professionals the Trustee believes have qualifications necessary to assist in the administration of the Trust, including professionals previously retained by the Debtor[s] or the Plan Proponent. For the avoidance of doubt, and without limitation of applicable law, nothing in this Agreement shall limit the Trustee from engaging counsel or other professionals, including the Trustee itself or the Trustee's firm or their affiliates, to do work for the Trust. The Trustee may pay the reasonable salaries, fees and expenses of such Persons out of the Trust Assets in the ordinary course of business.

Section 3.09 Safekeeping and Investment of Trust Assets. All moneys and other assets received by the Trustee shall, until distributed or paid over as provided herein and in the Plan, be held in trust for the benefit of the holders of Claims, but need not be segregated in separate accounts from other Trust Assets, unless and to the extent required by law or the Plan. The Trustee shall not be under any obligation to invest Trust Assets. Neither the Trust nor the Trustee shall have any liability for interest or producing income on any moneys received by them and held for Distribution or payment to holders of Claims, except as such interest shall actually be received by the Trust or Trustee, which shall be distributed as provided in the Plan. Except as otherwise provided by the Plan, the powers of the Trustee to invest any moneys held by the Trust, other than those powers reasonably necessary to maintain the value of the assets and to further the Trust's liquidating purpose, shall be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary liquid investments, such as treasury bills; provided, however, that the scope of permissible investments shall be limited to include only those investments that a Liquidation Trust, within the meaning of Treas. Reg. § 3.01.7701-4(d), may be permitted to hold pursuant to the Treasury Regulations, or any modification of the IRS guidelines, whether set forth in IRS rulings, IRS pronouncements, or otherwise. Notwithstanding the foregoing, the Trustee shall not be prohibited from engaging in any trade or business on its own account, provided that such activity does not interfere or conflict with the Trustee's administration of the Trust [and in accordance with Section 8.08 of this Agreement].

Section 3.10 Maintenance and Disposition of Trust Records. The Trustee shall maintain accurate records of the administration of Trust Assets, including receipts and disbursements and other activity of the Trust. The Trust may engage a claims agent to continue to maintain and update the Claims register maintained in the Chapter 11 Case[s] throughout the

administration of the Trust, and such Claims register may serve as the Trustee's register of beneficial interests held by Beneficiaries. The books and records maintained by the Trustee may be disposed of by the Trustee at the later of (a) such time as the Trustee determines that the continued possession or maintenance of such books and records is no longer necessary for the benefit of the Trust or its Beneficiaries, or (b) upon the termination and completion of the winding down of the Trust.

Section 3.11 Reporting Requirements. The Trustee shall provide any Oversight Committee member the information and reports they may reasonably request concerning Trust administration. To the extent feasible and practicable as determined by the Trustee, each Distribution by the Trustee shall be accompanied by a report to the Beneficiaries which details and accounts for the Trust Assets remaining since the prior report. The report shall include a summary of expenses incurred by the Trustee and Distributions made on account of Allowed Claims. After the Trustee makes all Distributions provided by the Plan and this Agreement, the Trustee shall file a final report with the Bankruptcy Court which details and accounts for the Trust Assets and contains a summary of expenses incurred by the Trustee and Distributions made on account of Allowed Claims.

Section 3.12 Conflicts of Interest. Conflicts of interest of the Trustee will be addressed by the Oversight Committee as set forth below in Article VIII. If no Oversight Committee is established or serving, the Trustee will appoint a disinterested Person to handle any matter where the Trustee has identified a conflict of interest or the Bankruptcy Court, on motion of a party in interest, determines one exists. In the event the Trustee is unwilling or unable to appoint a disinterested Person to handle any such matter, the Bankruptcy Court, on notice and hearing, may do so.

Section 3.13 No Bond Required; Procurement of Insurance. Notwithstanding any state or other applicable law to the contrary, the Trustee (including any successor Trustee) shall be exempt from giving any bond or other security in any jurisdiction and shall serve hereunder without bond. The Trustee is hereby authorized, but not required to obtain all reasonable insurance coverage for itself, its agents, representatives, employees or independent contractors, including, without limitation, coverage with respect to the liabilities, duties and obligations of the Trustee and its agents, representatives, employees, or independent contractors under this Agreement. The cost of any such insurance coverage shall be an expense of the Trust and paid out of Trust Assets.

Section 3.14 Charitable Donations. The Trustee may donate any remaining proceeds to a charitable organization after the Trustee has made all Distributions possible pursuant to the terms and conditions of this Agreement.

ARTICLE IV Distributions

Section 4.01 Distribution and Reserve of Trust Assets. Following the transfer of Trust Assets to the Trust, the Trustee shall make continuing efforts on behalf of the Trust to collect, liquidate, and distribute all Trust Assets, subject to the reserves required under the Plan or this Agreement.

(a) **Distributions.** Subject to Article VIII of this Agreement, the Trustee shall cause the Trust to distribute the Trust's net Cash income and net Cash proceeds from the liquidation of the Trust Assets to holders of Allowed Claims, except the Trust may retain an amount of net income and other Trust Assets reasonably necessary to maintain the value of the Trust Assets or to meet expenses, claims and contingent liabilities of the Trust and Trustee, and retention of such amount may preclude Distributions to holders of Allowed Claims.

(b) **Reserves; Pooling of Reserved Funds.** Before any Distribution can be made, the Trustee shall, in its reasonable discretion, establish, supplement, and maintain reserves in an amount sufficient to meet any and all expenses and liabilities of the Trust, including attorneys' fees and expenses, the fees and expenses of other professionals, and any fees owed the US Trustee. Except with respect to the Professional Fee Reserve, the Trustee need not maintain the Trust's reserves in segregated bank accounts and may pool funds in the reserves with each other and other funds of the Trust; provided, however, that the Trust shall treat all such reserved funds as being held in a segregated manner in its books and records.

(c) **Distributions Net of Reserves and Costs.** Distributions shall be made net of reserves in accordance with the Plan and also net of the actual and reasonable costs of making the Distributions.

(d) **Right to Rely on Professionals.** Without limitation of the generality of Section 6.06 of this Agreement, in determining the amount of any Distribution or reserves, the Trustee may rely and shall be fully protected in relying on the advice and opinion of the Trust's financial advisors, accountants, or other professionals.

Section 4.02 Method and Timing of Distributions. Distributions to holders of Allowed Claims will be made from the Trust in accordance with the terms of the Plan and this Agreement. The Trust may engage disbursing agents and other Persons to help make Distributions.

Section 4.03 Withholding from Distributions. The Trustee, in its discretion, may cause the Trust to withhold from amounts distributable from the Trust to any Beneficiary any and all amounts as may be sufficient to pay the maximum amount of any tax or other charge that has been or might be assessed or imposed by any law, regulation, rule, ruling, directive, or other governmental requirement on such Beneficiary or the Trust with respect to the amount to be distributed to such Beneficiary. The Trustee shall determine such maximum amount to be withheld by the Trust in its sole, reasonable discretion and shall cause the Trust to distribute to the Beneficiary any excess amount withheld.

Section 4.04 Tax Identification Numbers. The Trustee may require any Beneficiary to furnish its taxpayer identification number as assigned by the Internal Revenue Service and may condition any Distribution to any Beneficiary upon receipt of such identification number. If a Beneficiary does not timely provide the Trustee with its taxpayer identification number in the manner and by the deadline established by the Trustee, then the Distribution to such Beneficiary shall be administered in accordance with Section 4.05 of this Agreement.

Section 4.05 Unclaimed and Undeliverable Distributions. If any Distribution to a Beneficiary is returned to the Trustee as undeliverable or is otherwise unclaimed, no further Distributions to such Beneficiary shall be made unless and until the Beneficiary claims the Distributions by timely notifying the Trustee in writing of any information necessary to make the Distribution to the Beneficiary in accordance with this Agreement, the Plan, and applicable law, including such Beneficiary's then-current address or taxpayer identification number. If the Beneficiary timely provides the Trustee such missing information, all missed Distributions shall be made to the Beneficiary as soon as is practicable, without interest. Undeliverable or unclaimed Distributions shall be administered in accordance with Article [XX] of the Plan.

(a) **No Responsibility to Locate Beneficiaries.** The Trustee may, in its sole discretion, attempt to determine a Beneficiary's current address or otherwise locate a Beneficiary, but nothing in this Agreement or the Plan shall require the Trustee to do so.

(b) **Disallowance of Claims; Cancellation of Corresponding Beneficial Interests.** All Claims in respect of undeliverable or unclaimed Distributions that pursuant to Article [XX] of the Plan have become unclaimed property under Section 347(b) of the Bankruptcy Code, shall be deemed Disallowed and expunged, and the corresponding beneficial interests in the Trust of the Beneficiary holding such Disallowed Claims shall be deemed canceled. The holder of any such Disallowed Claim shall no longer have any right, claim, or interest in or to any Distributions in respect of such Disallowed Claims. The holder of any such Disallowed Claim is forever barred, estopped, and enjoined from receiving any Distributions under this Agreement and from asserting such Disallowed Claim against the Trust or Trustee.

(c) **Inapplicability of Unclaimed Property or Escheat Laws.** Unclaimed property held by the Trust shall not be subject to the unclaimed property or escheat laws of the United States, any state, or any local governmental unit.

Section 4.06 Voided Checks; Request for Reissuance. Distribution checks issued to Beneficiaries shall be null and void if not negotiated within [ninety (90)] days after the date of issuance thereof. Requests for reissuance of any check shall be made in writing directly to the Trustee by the Beneficiary that was originally issued such check. All such requests shall be made promptly. Distributions in respect of voided checks shall be treated as unclaimed Distributions under the Plan and administered under Section 4.05 of this Agreement.

Section 4.07 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to the beneficial interest of a Beneficiary under this Agreement, or if there is any disagreement between the assignees, transferees, heirs, representatives, or legatees succeeding to all or a part of such an interest resulting in adverse claims or demands being made in connection with such interest, then, in any of such events, the Trustee shall be entitled, in its sole discretion, to refuse to comply with any such conflicting claims or demands.

(a) The Trustee may elect to cause the Trust to make no payment or Distribution with respect to the beneficial interest subject to the conflicting claims or demand, or any part thereof, and to refer such conflicting claims or demands to the Bankruptcy Court, which shall have exclusive jurisdiction over resolution of such

conflicting claims or demands. Neither the Trust nor the Trustee shall be or become liable to any of such parties for their refusal to comply with any such conflicting claims or demands, nor shall the Trust or Trustee be liable for interest on any funds which may be so withheld.

(b) The Trustee shall be entitled to refuse to act until either (i) the rights of the adverse claimants have been adjudicated by a Final Order of the Bankruptcy Court, or (ii) all differences have been resolved by a valid written agreement among all such parties to the satisfaction of the Trustee, which agreement shall include a complete release of the Trust and Trustee. Until the Trustee receives written notice that one of the conditions of the preceding sentence is met, the Trustee may deem and treat the Beneficiary as the absolute owner under this Agreement of the beneficial interest in the Trust the Beneficiary identified as the owner of that interest in the books and records maintained by the Trustee. The Trustee may deem and treat such Beneficiary as the absolute owner for purposes of receiving Distributions and any payments on account thereof for federal and state income tax purposes, and for all other purposes whatsoever.

(c) In acting or refraining from acting under and in accordance with this Section 4.07 of the Agreement, the Trustee shall be fully protected and incur no liability to any purported claimant or any other Person to the extent set forth in Article VI of this Agreement.

Section 4.08 Priority of Expenses of Trust. The Trust must pay or reserve for all of its expenses before making Distributions.

ARTICLE V

Beneficiaries

Section 5.01 Interest Beneficial Only. The ownership of a beneficial interest in the Trust shall not entitle any Beneficiary to any title in or to the Trust Assets or to any right to call for a partition or division of such assets or to require an accounting.

Section 5.02 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a beneficial interest herein, which shall, subject to section 4.01 herein and the Plan, be entitled to a Distribution in the amounts, and at the times, set forth in the Plan.

Section 5.03 Evidence of Beneficial Interest. Ownership of a beneficial interest in the Trust Assets shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee.

Section 5.04 No Right to Accounting. Except as set forth in Section 9.04 of this Agreement, neither the Beneficiaries nor their successors, assigns, creditors, or any other Person shall have any right to an accounting by the Trustee, and the Trustee shall not be obligated to provide any accounting to any Person. Nothing in this Agreement is intended to require the Trustee at any time or for any purpose to file any accounting or seek approval of any court with respect to the administration of the Trust or as a condition for making any advance, payment, or Distribution out of proceeds of Trust Assets.

Section 5.05 No Standing. Except as expressly provided in this Agreement, a Beneficiary shall not have standing to direct or to seek to direct the Trust or Trustee to do or not to do any act or to institute any action or proceeding at law or in equity against any Person upon or with respect to the Trust Assets.

Section 5.06 Requirement of Undertaking. The Trustee may request the Bankruptcy Court to require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken or omitted by it as Trustee, that the filing party litigant in such suit pay the costs of such suit, including reasonable attorneys' fees, against any party litigant in such suit; provided, however, that the provisions of this Section 5.06 shall not apply to any suit by the Trustee.

Section 5.07 Limitation on Transferability. It is understood and agreed that the beneficial interests herein shall be non-transferable and non-assignable during the term of this Agreement except by operation of law. An assignment by operation of law shall not be effective until appropriate notification and proof thereof is submitted to the Trustee, and the Trustee may continue to cause the Trust to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of assignment by operation of law. The Trustee may rely upon such proof without the requirement of any further investigation.

Section 5.08 Exemption from Registration. The rights of the Beneficiaries arising under this Agreement may be deemed "securities" under applicable law. However, such rights have not been defined as "securities" under the Plan because (a) the parties hereto intend that such rights shall not be securities, and (b) if the rights arising under this Agreement in favor of the Beneficiaries are deemed to be "securities," the exemption from registration under Section 1145 of the Bankruptcy Code is intended to be applicable to such securities. No party to this Agreement shall make a contrary or different contention.

Section 5.09 Delivery of Distributions. Subject to the terms of this Agreement, the Trustee shall cause the Trust to make Distributions to holders of Allowed Claims in the manner provided in the Plan.

ARTICLE VI

Indemnification and Third Party Rights

Section 6.01 Parties Dealing With the Trustee. In the absence of actual knowledge to the contrary, any Person dealing with the Trust or the Trustee shall be entitled to rely on the authority of the Trustee or any of the Trustee's agents to act in connection with the Trust Assets. There is no obligation of any Person dealing with the Trustee to inquire into the validity, expediency, or propriety of any transaction by the Trustee or any agent of the Trustee.

Section 6.02 Limitation of Trustee's and Oversight Committee's Liability. In exercising the rights granted herein, the Trustee shall exercise the Trustee's best judgment, to the end that the affairs of the Trust shall be properly managed and the interests of all of the holders of Claims safeguarded. But, notwithstanding anything herein or in the Plan to the contrary, neither Trustee, any member of the Oversight Committee, nor their respective firms, companies, affiliates, partners, officers, directors, members, employees, professionals, advisors, attorneys,

financial advisors, investment bankers, disbursing agents, or agents, and any of such Person's successors and assigns shall incur any responsibility or liability by reason of any error of law or fact or of any matter or thing done or suffered or omitted to be done under or in connection with this Agreement, whether sounding in tort, contract, or otherwise, except for fraud, gross negligence, or willful misconduct that is found by a final judgment (not subject to further appeal or review) of a court of competent jurisdiction to be the direct and primary cause of loss, liability, damage, or expense suffered. In no event shall the Trustee or Oversight Committee be liable for indirect, punitive, special, incidental, or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Trustee or Oversight Committee has been informed of the likelihood of such loss or damages and regardless of the form of action.

Section 6.03 No Liability for Acts of Other Persons. None of the Persons identified in the immediately preceding Section 6.02 of this Agreement shall be liable for the act or omission of any other Person identified in that section.

Section 6.04 No Liability for Acts of Predecessors. No successor Trustee shall be in any way responsible for the acts or omissions of any Trustee in office prior to the date on which such successor becomes the Trustee, unless a successor Trustee expressly assumes such responsibility.

Section 6.05 No Liability for Good Faith Error of Judgment.
